

The next industrial revolution: Packaging and 'Industry 4.0'

Date: 20 sep 2018 Time: 09.00-15.00 Venue: Bromo room, JIE Kemayoran, Jakarta

As the manufacturing sector moves towards Industry 4.0, so too must the supply chain supporting it, particularly packaging, without which no goods can move.

Greetings!

The Indonesian Packaging Federation / IPF, a member of APF / Asian Packaging Federation and WPO / World Packaging Organization, invite you to join a one-day seminar on:

Date : 20 September 2018

Time : 09.00-15.00

Venue : Bromo Room, Niaga building 6th Floor,
JIE expo, Kemayoran, Jakarta.

This seminar in conjunction with Indopack/Print/Plas Trade Expo, 19-22 September 2018.

The world is changing as we enter the Fourth Industrial Revolution. As the manufacturing sector moves towards Industry 4.0, so too must the supply chain supporting it, particularly packaging, without which no goods can move.

Due in part to changing behaviors and desires, consumption is changing. As consumption is changing, the systems of production are also changing. Sustainability is a new standard and expectation in production and consumption.

What industry can do about adapting packaging for this next era of production? Let's discuss it in this seminar.

Don't miss it, please register now!
